NEWSY ITEMS FROM WASHOE

A Brief Synopsis of the Doings of Its People as Seen By Our Correspondent.

Mrs. Robert D. Jackson and daughter returned last Sunday from a visit to Mr. and Mrs. Siegel at Siegelton. Mr. Jackson will remain there for a week or ten days longer, as he has not completed his examination of the Vulcan Copper company's mining property.

Carl Stoddard left here Sunday for Willow Glen, where he will remain until he has learned thoroughly the new process by which Mr. Jackson is working a large pile of tailings. Mr. Stoddard hopes to work some tailings in the southern part of the State by this process later on.

A number of young people from Washoe Valley drove down to Willow Glen Monday night and surprised Mr. and Mrs. Dan Finlayson. The evening was pleasantly spent in dancing, games and music. At 11 o'clock light refreshments were served. The young people left for their homes about 1 o'clock in the morning. Among those present were: The Misses Winters and Smith, and Miss Small of Carson, and Messrs. Worland, Thompson, Lou Winters, Carl Stoddard and Ed Ryan.

Dan Finlayson came down from Jackson's cyanide plant at Silver City to take charge of the Willow Glen plant during Mr. Jackson's absence.

J. W. Phillips came down from Silver City early in the week and spent the day at Willow Glen, returning in the evening.

In the not distant future the beautiful farm of Theo. Winters will be the scene of a practice game of basketball, the first of the season, between the young ladies of Washoe Valley. Washoe, April 12, 1900.

Notice to the Public.

You are hereby notified to clean any dirt, rubbish, ashes, paper or other matter whatsoever in any street, alley, gutter or highway within the limits of the town of Reno, within one week from date, and any party violating this order is hereby declared to violate Ordinance No. 19, to which you are referred, and if such ordinance is violated you will be subject to fine, as therein specified.

WHAT FOSTER PROPHESES

The Journal's Guess at What the Weather Will Be.

Copyrighted 1900, by W. T. Foster.
St. JOSEPH, Mo., April 12.—My last bulletin gave forecast of the storm waves to cross the continent from April 22 to 26, and next will reach the Pacific Coast about April 27, cross west of Rockies country by close of April 28, great central valleys 29 to May 1, Eastern States 20.

Warm wave will cross west of Rockies country about April 27, great central valleys 29, Eastern States May 2.

Cool wave will cross west of Rockies country about April 30, great central valleys May 2, Eastern States May 4.

Temperature of the week ending April 30 will average below normal in the great central valleys, below in Eastern States and above on Pacific slope. Rainfall for same period will be deficient.

Yellow Jacket to Lead.

Superintendent Sharon said today that Engineer Leon Hall is now preparing drawings for measurements made at the Yellow Jacket hoisting works of the electric motor machinery to be substituted for the steam hoist at that mine. Mr. Hall will be here next week for the purpose of preparing for the installment of the new plant.

The equipment of the Belcher hoisting works with a similar plant will follow and both plants will be ready for operation by electric energy when the Floriston company is ready to deliver that power on the line. The Crown Point and other Comstock companies will be similarly equipped at an early date.—Chronicle.

Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women and all feel this results in loss of appetite, poisons in the blood, backache, and tired, listless run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and appetite than anything I could take. I can now eat anything and have new lease on life." Only 50 cents at S. J. Hodgkinson's Drug Store Every bottle guaranteed.

The Dexter company of Tuscarora shipped gold bars and cyanides valued at over \$11,000 Monday.

IT IS NEEDLESS TO SAY

That everybody uses groceries. However, many of them do not know that most of their food is adulterated by scheming manufacturers. Such concerns do not get our trade. Our prices are as low as GOOD GROCERIES are sold for.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself began to catch cold we begin to use the cough remedy, and as a result we never have to send away for a doctor and incur a large doctor bill, for Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. MEARLE, General Merchant and Farmer, Mattie, Bedford county, Pa. For sale by Wm. Pinniger.
It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) druggist called at the drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Wm. Pinniger.

FIGHTING FUSION
Wallace Tries to Wreck THE SILVER PARTY
Aided by State Officials, a Dead Man and a Republican With a Pocketful of Proxies.

The Silver party of Nevada is betrayed by those upon whom it has bestowed honors and salaries.
O. C. Wallace, O. M. Sain, Reinhold Sadler, Sam P. Davis and a score of other good, honest Republicans did the work, and did it well. If these worthies are permitted to have their way Mr. McKinley will probably be the choice of the electors sent from Nevada this fall.
The meeting of the Silver State Central Committee, held in the court house yesterday, rang the death knell of that party, unless the faithful in the ranks rise up in their might and overthrow the railroad boss and his office-holding puppets.
Puppets? Yes. And the hand that pulls the string is not gloved. There is no attempt at concealment in Mr. Wallace's methods. Governor Sadler and Controller Davis are both his willing slaves. They displayed their vassalship yesterday to the disgusted throng.
It all came to light when the question of fusion was brought up—the only salvation for the party at the coming election. There were twenty-two honest and clear-sighted men in the convention—and one corpse, to say nothing of the Republicans.
George Nixon and Will Sharon led the silverites. The twenty-two were a unit, but so was Wallace, and he voted twenty-six names. No fusion for Wallace—that would hurt Mr. McKinley and Mr. Huntington.
The committee was called to order by the secretary, Nate Roff. The resignation of Sam Davis as chairman pro tem. was accepted. Mr. Roff was made temporary chairman and W. T. Virgin was appointed secretary. Mr. Scheeline was elected permanent chairman.
Following are the members of the central committee:
Chancellor County—George Gregg.
Esmeralda—W. J. Wilson, D. H. McNate, Ben Rosenthal.
Elko—E. Reinhardt, E. H. Mead, J. B. Dougherty, H. H. Coryell, A. H. Smith.
Douglas—H. F. Dangberg, F. Fellig.
Lyon—J. Meadows, J. L. Campbell, R. A. Cook.
Storey—H. M. Gorham, Joseph Considine, W. J. Bennett, W. E. Sharon, F. S. Cox, A. Young, J. F. McDonald.
Humboldt—J. Marzen, A. B. Hardin, M. Reinhardt, G. S. Nixon, G. W. Sumnerfield.
Washoe—R. Ryland, R. H. Kinney, M. Scheeline, J. E. Southeran, J. F. Crosby.
Eureka—P. Breen, H. Kind, G. A. Fletcher, D. Depalio.
Nye—G. M. Goring, H. D. Ernst.
Lander—J. Fitzgerald, J. A. Blossom, Wm. Easton.
White Pine—D. U. McDonald, G. F. Parker.
Ormsby—E. James, F. R. Golden, S. Longabaugh.
Lincoln—H. B. May, J. Shier, A. S. Thompson, H. E. Freudenthal, I. J. Osborn.
Nothing worth recording happened until the question of fusion with the Democrats came up. It seems that a cordial invitation had been extended by the Democracy to unite against the common foe.
A resolution was presented by A. Livingston and championed by Boss Wallace. The purpose of it was to sidetrack the fusion movement. This is the resolution:
Resolved, That the question of fusion with the other opponents of the gold trust properly belongs to the State convention, and that it is not the province of the committee to dictate the terms upon which fusion may be effected.
An amendment, or substitute, was offered by Judge Huffaker, as follows:
Resolved, That it is the sense of the committee that we accept the invitation of the Democratic party and unite with them in a joint call for a State convention for the nomination of candidates, and with them to combine and act as one political party in the coming campaign.
A substitute for the substitute, or amendment to the amendment, was presented by H. H. Beck. It read:
Resolved, That we accept the invitation of the Democratic party, through their State central committee, and issue a call for a State convention to meet at the same time and town with them, and it is hereby further
Resolved, That a committee be appointed by this body to confer with the Democratic State central committee to issue the call.
The fun then began to wage fast and furious. Wallace and his benchmen strove with might and main to defeat the Beck resolution. Equal effort was made by the Sharon-Nixon faction, which embraced the greater portion of the delegates present.

Novelty Dry Goods Store
O'CONNOR BLOCK OPPOSITE POSTOFFICE RENO, NEVADA

When roll was called the proxies beat the second substitute by the close score of 22 to 25.
John L. Considine spoke very forcibly in favor of fusion, impugning the motives of those who opposed it, calling into question the faithfulness to party of the Wallace gang from the capital city.
It was also brought to light that Mr. Shtatzline was voting the proxy of G. A. Fletcher of Eureka, a man who has been six months in his grave.
Some one charged C. M. Sain of Lovelock, who had his pockets stuffed with proxies, with being a Republican. Others reiterated the charge, saying that Mr. Sain had himself informed them that he was a Republican. John Considine presented this charge in writing and things began to look dark for the Sain votes. But Nate Roff got a wink from Black Charley and decided to let Mr. Sain vote.
An appeal was taken from the ruling of the chair but Mr. Sain and 25 other members of the convention voted that Nate had ruled wisely and well. The amusing part of the incident was a question put to the Lovelock editor, "Will you support the nominees of the Silver party?" The editor said nothing but transferred his proxies and walked out of the room.
As the vote came up on the substitute there was a little hesitation when Mr. Rosenthal's name was called. The member from Esmeralda finally announced himself on the Wallace side of the fence. This resolution was also lost. A recess was held during which time Mr. Rosenthal squared himself by producing the following substitute resolution which passed with ease:
Resolved, That the communication of the Democratic party in regard to fusion is met with favor by this body and that a committee be appointed to confer with a like committee from that body to arrange that both conventions meet at the same town and time and that the question of fusion be left with the conventions.
The following committee was appointed to confer with the Democrats: Gov. Sadler, W. E. Sharon, Ben Rosenthal, Benj. Curler and J. P. Fitzgerald.
Little more was done that is of vital interest to the public.

ASSEMBLY ADDRESS
Sam P. Davis Talks About the Comstock to University Students.

General Assembly was addressed yesterday by State Controller Davis. The speaker opened by complimenting Reno on the rain storm, which while preventing a larger attendance, would, he thought, profit the country more than the lecture.
He spent an hour and a quarter relating interesting anecdotes of the Comstock. He produced diagrams of the ore bodies in crayon outlines. A stroke or two of the crayon transformed these diagrams to representations of animals and human faces, to the great amusement of the students.
It was a free and easy talk in conversational tones. Some of the anecdotes of Sharon, Fair, Mackey and other Comstock celebrities brought down the house.
Mr. Davis was obliged to cut his lecture short in order to attend the central committee meeting. At the conclusion of his talk the boys gave him the college yell coupled with the information that "he is all right."

Millions Given Away.
It is certainly gratifying to the public to know of one concern in the land which is not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for consumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on S. J. Hodgkinson, Druggist, and get a trial bottle. Regular size, 50 cents and \$1. Every bottle guaranteed or price refunded.

Austin's Scandal Patched Up.
The Austin school Trustees at a meeting held last Tuesday, rescinded their former action regarding the school trouble by amending their report to read as follows:
"The Board, after due investigation, found the evidence insufficient to entertain any charges of immoral conduct on the part of the two teachers in the anteroom of the Principal's department on the morning of Friday, March 28, 1900, and they are hereby fully exonerated, vindicated and acquitted."
A resolution by Robert Pohl was presented asking for a new investigation, but no action was taken.

A Bull Run Campaign.
Frank Curieux and Johnny Murphy left Tuesday for their claim in Bull Run. They took along a force of men and supplies to last for a summer campaign. Andy Smith left for Mar-dia a few days ago to arrange for the purchase of the mill there and its removal to Bull Run, and the chances are we will have a boom to report from that section before the end of the season.—Times-Review.
